

RED TAPE

REDUCTION

SAVING MONEY

SAVING TIME

MAKING LIFE EASIER

LESS COMPLIANCE BURDEN

- ✓ Removing separate authorisation for mining iron ore, **saving an estimated \$1 - 2 million a year**
- ✓ Travel agents no longer require a licence, **saving up to \$695,000 annually**
- ✓ e-Conveyancing **saves industry an estimated \$80 million over 2011 to 2028**

REDUCED DUPLICATION

- ✓ Aligning threatened species assessment with the Commonwealth, estimated to **save each business applicant \$155,000**
- ✓ A single point of contact for mining tenements **saving approximately \$100,000 per restoration application**
- ✓ Removing repetitive approvals to trade outside normal hours for short-term market stallholders – **avoiding up to 1,200 applications a year**

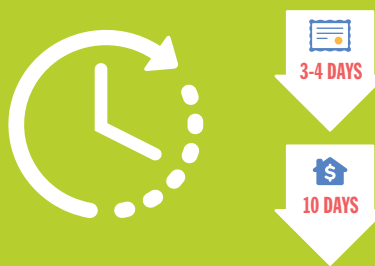

GOING DIGITAL

- ✓ National Construction Code now freely available, **saving business its purchase price of \$400**
- ✓ Doctors will **save time via online lodgement** of up to 200,000 driving medical assessment forms
- ✓ Online lodgement of Programme of Work-Exploration applications – **reducing assessment times on average to 20 business days**

BETTER SUPPORTING OUR COMMUNITIES

- ✓ Reducing administrative functions to **free up 98 police officers** to perform frontline duties
- ✓ Allowing midwives to administer whooping cough and flu vaccinations to pregnant women, **saving an estimated 20,000 hours a year**
- ✓ Public school sector supported by over 1,200 online criminal screenings since July 2015 - **saving time and increasing accuracy**

REDUCED DELAYS

- ✓ Digitising birth, death and marriage records, **saving 3 - 4 days to receive certificates**
- ✓ Reducing property transfer valuation processing times through Revenue Online, **saving up to 10 days**
- ✓ **Saving time** for information access and water user licence applications through Water Online

EASIER INTERACTION WITH GOVERNMENT

- ✓ **Saving remote residents up to a day's travel** by removing barriers to having a driver's licence
- ✓ Rental security bond transactions moved online **avoiding 300,000 pages of forms each year**
- ✓ Online access for 12 driver and vehicle licence types **saving up to 90 minutes per transaction**

THE STATE GOVERNMENT IS REDUCING RED TAPE TO GROW OUR ECONOMY AND BETTER SUPPORT OUR COMMUNITY

SAVING MONEY

SAVING TIME

MAKING LIFE EASIER

TRANSPORT REFORM

- ✓ Removing Heavy Vehicle Certificate of Registration labels - **saving businesses approximately 62,000 hours per year**
- ✓ Consolidating period permits for restricted access vehicles – this has removed a \$50 fee and **saved industry \$250,000 a year**
- ✓ More **flexible and efficient** concessional loading scheme benefitting heavy vehicle transport operators

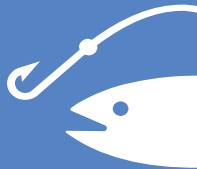

HOME BUILDING REGULATIONS

- ✓ **Cutting building and renovating times by up to 2 months** for R-Code and local planning compliant single houses
- ✓ Wider optional Development Assessment Panel thresholds **providing applicants more choice** on who determines their application
- ✓ Faster basic and standard local planning scheme amendments assessed by the WA Planning Commission **within 42 and 60 days**

BUSINESS LICENSING

- ✓ **Longer licensing periods** for auctioneers, debt collectors and aircraft operators saving time and money
- ✓ Qualified electricians and gasfitters can now replace hot water systems on a restricted plumbing permit, **allowing consumers more choice**
- ✓ Plumbers **save approximately \$1 million per year** by making the regulation around drainage plumbing inspections more flexible

AGRICULTURE, AQUACULTURE AND FISHERIES REGULATIONS

- ✓ Removing the catch tag system and **simplifying the rules** for pink snapper fishing in Shark Bay
- ✓ **Relieving cash flow pressures for up to 108 operators** by allowing licence fees to be paid in instalments, and reducing the risk of commercial rock lobster licences being suspended as a result of unintentional quota overruns
- ✓ Simplifying vehicle licensing processes for agricultural transporters, **saving time and costs for up to 5,000 transport transactions per year**

ENVIRONMENTAL APPROVALS

- ✓ **Cutting approval times from 60 calendar days to 30 business days** by allowing applicants to lodge mining environmental approval and native vegetation clearing in a single application
- ✓ New application form for work approvals and licences reduces back-and-forth information requests, resulting in **less waiting time and delays**
- ✓ Accrediting WA's environmental impact and clearing assessment processes under a Commonwealth bilateral assessment agreement to **reduce duplication for business**

LIQUOR REGULATIONS

- ✓ Allowing Western Australia's **541 beer and wine producers** to sell their products from a second or collective cellar door within their region
- ✓ **Extending Sunday trading hours** for hotels and night clubs by 2 hours
- ✓ **Removing the requirement to resubmit** a full Public Interest Assessment when renewing an extended trading permit
