Local Government Authorities

The Western Australian Local Government Association (WALGA) and its local government members (local government councils and shires) are able to access CUAs. Regional local governments (as established under section 3.61 of the Local Government Act 1985) can also access CUAs.

Non-WALGA member local governments may also apply to access CUAs.

Public Benevolent Institutions (PBIs)

In addition to being an Australian Taxation Office registered PBI, an organisation **must** also be registered with Finance to be given access to government rates through State Government common use contracting arrangements (CUAs).

Please note: If an approved PBI does not access a CUA within a 2 year period, the Department of Finance may remove them from the Approved Users list.
