THE DEPARTMENT OF FINANCE
STRATEGIC DIRECTIONS 2018-2022

OUR VISION

Driving practical, cost-effective and quality outcomes across government to benefit Western Australians

WE WILL ACHIEVE THIS BY

- Taking a strong collaborative and inclusive leadership approach in all we do
- Always having a whole of sector perspective
- Implementing practical solutions based on deep insights and understanding of issues
- Placing customers at the centre of service design and delivery
- Delivering innovative, affordable value-for-money outcomes
- Promoting a culture of inspired, inquisitive and capable people

HOW WE MAKE A DIFFERENCE

- Enable agencies to effectively deliver services and meet the priorities of the Government
- One sector thinking and central leadership on building and infrastructure projects, procurement, office accommodation, revenue collection and concessions
- Analysis of data to drive tax efficacy, better asset management and reduce government expenditure
- Build capability across government around commercial and negotiation skills, contract management, procurement planning and project management
- Transition to online by design to provide customers with greater convenience and lower cost services
